

SUSTAINABILITY POLICY

INDUSTRIAS NETTALCO S.A. is committed to promoting best practices in environmental sustainability and periodically reviewing our performance. We are also committed to knowing and analyzing the expectations of our different stakeholders, and integrating sustainability into all our processes.

In this way the company guarantees:

- Establish objectives to contribute to the achievement of the goals defined in our Sustainable Development Goals.
- Ensure compliance with current legal requirements and the others to which we subscribe.
- Transfer our culture of sustainability to our entire value chain: customers, partners, product and service providers, our partners, and other stakeholders.
- Promote the search for sustainable businesses, promoting the creation of social value.
- Provide the necessary resources for the implementation and maintenance of good eco-efficiency practices.

At Nettalco Industries, we will always ensure compliance with these expectations and principles, thus contributing to the growth and strengthening of our society and the protection of the environment.
